EXPERIENCE

Funverse Game Studios

3D Character Artist Intern (Aug 2023 - Oct 2023)

During my internship at Funverse Game Studios, I was responsible for modeling and texturing two main characters and their weapons as a solo project. I collaborated closely with concept artists and riggers to ensure the characters met artistic and technical standards.

Character Art For Games

1-1 mentorship form Jason Hill (March 2024 - May 2024)

During this mentorship, I developed my skills by creating the character "Aurora" with feedbacks from Jason Hill, a Lead Artist at Turtle Rock Studios. I learned valuable tips and tricks for creating AAA-quality characters. Additionally, I had the opportunity to learn from amazing artists like Marco Plouffe, Renaud Galand, Şefki Ibrahim, Hazel Brown, Jared Chaves, and Justin Holt.
